Last year was a difficult year for many, and we have really missed the opportunity to hang out and have a chat in the houses.

We'd love to invite you, your friends, family, kids, carers, to come and say hi at our dedicated drop-in Open House on Tuesday mornings. Come and say hello, chill out in our new lounge and enjoy a coffee from Brewlands! The garden will be open for a potter around in, and the craft supplies cupboard is fully stocked and ready to be used.

COVID 19 updates

NECCHi (like everyone!), is still operating in a COVID-19 world.

We have tried to develop a program that is adaptable, and we have worked with our facilitators to make sure we can deliver our program even if restrictions return. Necchi is also an organisation that believes in programs that are accessible to all - we have sponsored places in all our programs for those that find it difficult to cover the cost. Please get in touch with us for a chat if you would like one of these places.

BREW EST. 2021

What do you like to eat? What do you like to grow? What do you like to see?

Cox Reserve, just behind Newlands Neighbourhood House is home to a family of magpies and our very own community garden. The landscaping has been finished by the amazing team at Bunya Gardens, and now we need to get planting. Join us and Cultivating Communities at our two Planning and Planting days, to workshop ideas for the garden and then get our hands dirty.

Sat 17 July/Sat 31 July at 10.30am - 12.30pm Morning tea provided, no experience necessary!
